

A Woman's Ministry: Sharing the Faith

with Jill Briscoe

1.) Jesus had a Heart for Women

-Women were valid witnesses of the truth about Jesus.

John 4 The Samaritan Woman

-Jesus treated women differently by his Example, His Teaching, His Attitude and by His Miracles.

-Jesus touched, talked to and He taught women.

-1/3 of Jesus' teaching was in Parable form and He related to women in His stories.

'The Woman at the Well'

a.)The Artisan Well = "Water that springs up"

-Jesus is the Living Water

-Without Christ, your 'thirst' will never be satisfied!

2.) Jesus had:

1. Vision
2. Passion
3. Mission

The Woman at the Well represents women everywhere: Women who are forgiven (sinners) and women who are unforgiven (sinners).

Jesus saw her need and responded to it.

We need vision: we need to take our eyes off ourselves.
Vision leads to passion

3.) The Harvest fields are ripe.

a.) There are a lot of lost people out there.

-The Samaritan Story: _____

We need to understand the lost women of the world.
Vision leads to Passion, which leads to Mission.
Start where you are.

b.) Ministry = you share what you can.

All about Jesus

First we reach them, than we teach them!
The response and reaction of people is not up to us.

4.) We need to find our place in the Body of Christ.

Don't bury your talents!

a.) The Woman that God can use is a:

Jesus lover and 'Glory-giver'

Forgiven sinner

One who shares what she knows and finds out more.

A woman who will 'drink at the well' (of Jesus Christ).

Will you be a Woman in Ministry?
